General Conduct Rules and Guidelines :

MNC Balika Mahavidyalaya believes in treating its students like young adults. In general, most students find life orderly and congenial in the campus. While the students, as adult citizens of the country enjoy their rights, they also are expected to be aware of their responsibilities. The institute will not support any act that is illegal as construed by the law of the land. As adults, the students are expected to have a fair of which act is legal and what is illegal. They should conduct themselves, both inside and outside the Institute, in a manner that is befitting an institute of this stature. In addition to being mature and responsible in conduct, the students are expected to respect the rights of the other members of the MNCian community. The college encourages an all-round development of students' personality and their progressive and creative thinking. At the same time, in order that they effectively discharge civic responsibilities and virtues, the Institute sets its own terms of conduct that must be adhered to by the students. The Institute can take action, if these terms are violated, through different Committees.
